Wawanesa Lions Club

It is time to acknowledge a unique and generous donation recently made to the Wawanesa Lions Club. In July, Shane Thompson, Rev. Harvey Hurren's son-in-law, suggested that he had an older vehicle in need of a lot of mechanical work and since he no longer needed it, he would like to donate it to the Lions Club. So, on July 26th, Shane drove his old Buick to "2 & 10 Metal Recycling" for demolition. The owner, Jason Flikweert, accommodated his request, making the Wawanesa Lions Club the recipients of the proceeds of the transaction.

The Lions Club sincerely thanks Shane for his generosity. He said taking his car to the junkyard was similar to having to put a pet down! We want to assure Shane that we appreciate his thoughtfulness and the donation will go towards worthwhile community projects.

Perhaps this story will inspire other folks to contact the Wawanesa Lions Club with a similar project that is helpful to the donor, the Lions Club and the community.

Lions Don & Margaret Martin accept the proceeds for the Wawanesa Lions Club from Shane Thompson, owner of the car, and Jason Flikweert, owner of 2&10 Metal Recycling.

Wawanesa Children's Fair

The Wawanesa Children's Fair held on August 19, 2023 was a roaring success. A huge thank you goes out to all the volunteers that helped make the day safe and fun AND to all the sponsors that helped to make it a reality. You will find sponsor names on a thank you poster in this issue of the Express. The day was warm and windy.

Bouncy castles had to be inside but it all worked out, and by shortly after 10:00 am there were children and adults looking at the fire trucks, road grader, police car and vintage tractor. The local firemen had gear for kids to try on and get a photo. Castles bounced, races were run, Sumo suits were rolled around on the grass. The Gibb family gave horse and wagon rides and they were

never stopped. Similarly, the pedal tractors were constantly in motion. The Green Acres Colony train put on lots of miles. There were some other games like the bow and arrow. Face painting was very popular and there were many interesting faces around the event. The canteen was busy all day as were the popcorn and cotton candy tables. Back in the corner, the Fraser Reptile collection was a big attraction for many. Curtis and his wife are very knowledgeable about reptiles and shared their knowledge and their pets with

anyone who came by – and many people did. Walter, the tortoise, had a great time and was very sociable. Everyone went home tired and happy. A big thank you goes to the planning committee for all the work behind the scenes to make this Fair happen. And, of course, a thank

you to all the families that took the time to come and participate. That is what makes an event really successful.

Community Gardeners

As fall arrives and the blooms are fading we want to say much thanks to everyone that continues to support our efforts in adding to the beauty of little valley. *Rusty Bucket Auto, Wawanesa Co-op, Wawanesa Lions, Guild Insurance, GardenView Drive-In, Oakland Wawanesa RM and individual donors at Lucy's Flowers and Gifts* are our generous sponsors this year. Thank you so much! Also thank you to the one man Green Team of Connor Cory for pouring the water to the hanging pots during this dry hot summer. The hanging baskets are quite a lot of work and expense and would not happen without Green Acres assistance to hang them and take them down. Thanks to Mark Hofer and his crew. We will soon put this season in the books and chose a colour theme for next year. Happy Fall!

Treesbank Community Church

As summer winds down we are looking forward to the autumn season, crisp leaves and crisp night temperatures. The fall also brings some changes to our church activities. Although I don't want to hurry the summer weather along, we look forward to a different routine. The past month has had its share of fun activities and great weather. We have had Sunday BBQs, an Outdoor church service and seeing the many kids and families as we helped with the Lion's Children's Fair.

In the recent weeks we know of several that have lost family members. In times like these we do our best to comfort the family members and friends. Romans 12:15: ¹⁵ Rejoice with those who rejoice; mourn with those who mourn. In the NIV Bible, this passage is titled love in action. Rejoicing is the easy one. To share in the joy of others. Comforting those who mourn is equally important as an act of love. Though comfort is not one of the fruits of the Spirit that we have been talking about in our sermon series, patience, kindness and gentleness are. Showing love is what we are called to do. That will never change.

Our Children's Church will start September 10th. There will be a breakfast at 9:30 on that morning. We have a group of ladies planning to attend a Women's Retreat at Turtle Mountain Bible Camp. Small Groups will start up in September. Another group will start, if there is interest.

A parent's group, Stay N Play, will

start September 28th in the church. See details in the ad. Follow our Facebook page, Treesbank Community Church, to see other upcoming events.
