## Wawanesa Lions Club

Some members of the Wawanesa Lions Club were pleased to take part in a “photo op” with the Wawanesa School Varsity Boys Volleyball team smartly dressed in their new jerseys with the Lions emblem on their sleeve. The Lions Club is proud to sponsor the new uniforms for this team be-

cause we have a connection! A “few” years ago, the Lions sponsored a Reading Literacy Program and most of these boys were part of it as Lions read with these children starting in Grade One. A highlight of the program was the construction of the “Literacy Loft” in the Grade One classroom which is still in

# Reno the Rink Project Update

Phase 1 of our Reno the Rink project has been completed with the successful installation of the replacement ice plant. We want to extend our gratitude to the community that stepped up to support the project in such an amazing way. The generosity of our donors amazed us; it really showed what we can do when we work together for good!

We are in the final stages of producing our donor recognition board to be installed at the arena. We wanted to give an opportunity for the community to review what we have; we've tried very hard to make sure every name is recorded the way you told us you wanted it. Before we give the final go ahead on the signage, we wanted to give you a chance to make changes if needed. Please review and if there is a change you see that should be made, please contact Glenn McGregor at 204-761-7596 or Brett McGregor at 204-761-0499.

Thank you again, our community should be very proud of what has been accomplished.

**"In Flanders Fields"**

In Flanders fields  
the poppies blow  
Between the crosses,  
row on row,  
That mark our place;  
and in the sky  
The larks, still bravely sing-  
ing, fly  
Scarce heard amid the  
guns below.  
We are the Dead. Short  
days ago  
We lived, felt dawn, saw  
sunset glow,  
Loved and were loved, and  
now we lie  
In Flanders fields.

Take up our quarrel  
with the foe:  
To you from failing hands  
we throw  
The torch; be yours to hold  
it high.  
If ye break faith  
with us who die  
We shall not sleep, though  
poppies grow  
In Flanders fields.

- Lieutenant Colonel  
John McCrea

## In Memoriam

**Bill Gullett** (Dec. 13, 1930 - Nov. 11, 2003)

We don't see you in a flower, Dad,  
You're standing in the waving wheat,  
You're not riding in a Cadillac,  
You're on a tractor seat.

We hear you often whisper  
In the swaying willow trees.

We feel your gentle touch  
In the biting winter breeze.

We still love you, Dad  
Even though you are far away.  
The things you have done and said  
Stay with us every day.

Your teasing and your laughter,  
You always loved to share.

We remember all those things  
Because we really care.

Someday Dad, we'll meet again,  
Our kinship will renew  
Until that time, we all still have  
Our precious memories of you.

### Why Remember???

We must remember. If we do not, the sacrifice of those one hundred thousand Canadian lives will be meaningless. They died for us, for their homes and families and friends, for a collection of traditions they cherished and a future they believed in; they died for Canada. The meaning of their sacrifice rests with our collective national consciousness; our future is their monument.

These wars touched the lives of Canadians of all ages, all races, all social classes. Fathers, sons, daughters, sweethearts: they were killed in action, they were wounded, and thousands who returned were forced to live the rest of their lives with the physical and mental scars of war. The people who stayed in Canada also served—in factories, in voluntary service organizations, wherever they were needed.

# Treesbank Community Church

Our sermon series in the Book of Daniel should have revealed that it is not just about one person's life and their faith in God. Like many other people in the Bible. What usually stands out is the impact that a person's faith can have on individuals which spread to so many more people. Daniel's faith and God revealing His power, changed the heart of King Darius of Babylon. That impact then spread the Word of the God of Daniel to all the nations at that time. It had an impact that lasted for centuries.

That is a great reminder that our lives and actions can have an impact on others. Whether for the negative or for the positive. It is our choice whether we encourage or tear a person down. We have a responsibility to be the one that spurs someone on to do great things. With our time, with our money, with our willingness to serve. Our community has many people that are willing to get involved. May this be a reminder that everyone of us can have an impact.

It was a great turnout at our Thanksgiving Supper. People were asked to share about things they had been thankful for over the years. It was great to see the variety of things people were thankful for as they were put on display in our foyer.
